Statement of Faith

Colorado Christian University unites with the broad, historic evangelical faith rather than affiliating with any specific denomination. In this commitment, the University embraces the following declarations of the National Association of Evangelicals:

- We Believe the Bible to be the inspired, the only infallible, authoritative Word of God.
- We Believe that there is one God, eternally existent in three persons: Father, Son and Holy Spirit.
- We Believe in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory.
- We Believe that for the salvation of lost and sinful people, regeneration by the Holy Spirit is absolutely essential.
- We Believe in the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life.
- We Believe in the resurrection of both the saved and the lost; they that are saved unto the resurrection of life and they that are lost unto the resurrection of damnation.
- We Believe in the spiritual unity of believers in our Lord Jesus Christ.

These declarations do not comprise all that individual Christians may consider important elements of faith; rather, they establish the essential framework within which members of the University both unite in shared beliefs and explore differences.

Our Mission

**Christ-centered higher education transforming students
to impact the world with grace and truth**

Colorado Christian University cultivates knowledge and love of God in a Christ-centered community of learners and scholars, with an enduring commitment to the integration of exemplary academics, spiritual formation, and engagement with the world. We envision graduates who think critically and creatively, lead with high ethical and professional standards, embody the character and compassion of Jesus Christ, treasure the gospel, and who thereby are prepared to impact the world in their callings.

Strategic Priorities

Colorado Christian University's Strategic Priorities were adopted by the CCU Board of Trustees to serve as a guiding compass for the University. They direct the implementation of CCU's long-established mission, and provide context for our first priority – an enduring commitment to Jesus Christ and His Kingdom. The Strategic Priorities provide a point of convergence for every member of the CCU community and for every aspect of life at CCU, from how we teach and learn in the classroom to how we live with and serve others.

Colorado Christian University shall:

- Honor Christ and share the love of Christ on campus and around the world
- Teach students to trust the Bible, live holy lives, and be evangelists
- Be a magnet for outstanding students and prepare them for positions of significant leadership in the church, business, government, and professions by offering an excellent education in strategic disciplines
- Teach students how to learn
- Teach students how to think for themselves
- Teach students how to speak and write clearly and effectively
- Give students significant opportunities to serve our Lord while they are at CCU and to help them develop a lifetime habit of such service
- Impact our culture in support of traditional family values, sanctity of life, compassion for the poor, Biblical view of human nature, limited government, personal freedom, free markets, natural law, original intent of the Constitution, and Western civilization
- Be seekers of truth
- Debunk “spent ideas” and those who traffic in them
- Ask God to multiply our time and ability to the glory of His great name
- Be a servant of the Church
- Become a great university

In correlation with the established Strategic Priorities of Colorado Christian University, a series of workshops has been created to explore each priority in greater depth. These workshops bring CCU community members together on a regular basis to cultivate a deeper understanding of and relevant application for these priorities in our work at the University.
