Course Evaluation

High School: __________________________________________________________

Date: _____________

CCU Dual Credit Course Instructor: ________________________________________

Course: ______________________________________________________________

Credit hours: ______________

CCU Dual Credit courses will periodically be evaluated for the purpose of assuring the approved courses are in compliance with the standards put forth by the Higher Learning Commission.

Evaluations will be sent to the high school contact and CCU Dual Credit faculty member. We welcome feedback on our comments.

**Overall, the dual credit course:**

_____ Meets the expectations of Colorado Christian University. The CCU Dual Credit Faculty will submit an updated course syllabus with assessments in three years.

_____ Meets, with recommendations, the expectations of Colorado Christian University. Recommendations are listed at the end of the evaluation document.

_____ Does not meet the expectations of Colorado Christian University. The High School contact and CCU Dual Credit instructor will meet with the Director of the CCU Dual Credit department.
I have observed the CCU Dual Credit course and met the CCU Dual Credit faculty member at the high school on the date above and the information included in this form is a correct representation of observations in the CCU Dual Credit classroom.
